**City Council schedules April 9 Hearing to Consider 1041 Permit Conditions:** Pueblo County has issued terms and conditions for a 1041 permit for the construction and operation of the Southern Delivery System (SDS) within Pueblo County.

The Colorado Springs City Council has scheduled a public information and comment session for 7 p.m. on April 9 at Colorado Springs City Hall, 107 N. Nevada Ave. to consider the terms and conditions necessary for the 1041 permit approval. Council will then vote on acceptance of the permit conditions at its regular meeting on April 14.

Formal acceptance of the terms and conditions by the Colorado Springs City Council is required for final approval of the 1041 permit by Pueblo County. A 1041 permit from Pueblo County would give Colorado Springs the ability to construct the SDS preferred alternative – a pipeline from Pueblo Reservoir.

A copy of the Pueblo County 1041 permit terms and conditions is also available at the Office of the City Clerk, 30 S. Nevada Ave. In addition to public comments taken during the hearing, written comments will be accepted at the City Clerk's office until 5 p.m. on April 9.
